Schatziland Bier Garden and RV Resort A Family Destination Experience!

There was one goal over all others with this project; to serve the neighboring communities with a new family oriented facility for leisure, entertainment, and kids play in an unstructured environment. Schatziland has two identities both working together; the Bier Garden will be a full service restaurant and bakery specializing in the German Cuisine experience, and the high end RV Resort Park catering to seniors and families seeking a unique experience both in the Hill Country and within the project itself. The restaurant and music side of the

“A Unique German Experience in Buda”

project features live music on stage in front of the open space as part of the Bier Garden and an expansive area of constructions for kid’s play. The RV portion provides spaces of multiple sizes including the super-sized luxury cruisers. Small cabins are also available some of which are attached to a dog park.

“Family entertainment and expansive kid’s play are primary objectives to create a popular family oriented destination”
